## **"Swim-A-Thon Policy"**

### **Purpose:**

As this function is an important fundraiser of the swimming season, this policy is intended to clearly communicate all expectations of Swimmers and their Families.

### **Policy:**

- The Swim-A-Thon will be conducted over a scheduled two-hour period where each swimmer will complete as many lengths of the pool as possible (up to 200) during the two hours allotted.
- Swimmers are encouraged to take as many breaks as needed during the two-hour period.
- In the event that a swimmer(s) is unable to participate at the scheduled time, every opportunity will be made for the swimmer(s) to meet their commitment at a future date to be determined.
- In addition to annual swimming fees, \$150.00 per swimmer is to be collected by the club at the time of registration as a deposit towards their fund-raising contribution.
- Payment may be made in full at the time of Registration or in the form of a post-dated cheque for March 30 of the given season.
- All swimmers are eligible for a full refund of Swim-A-Thon fees paid, provided the money raised through sponsors meets or exceeds the \$150.00 collected per swimmer.
- Swim-A-Thon fees paid are not transferable to another club.
- Refer to the "Refund Policy" regarding Swim-A-Thon fees for late registrations.
